

## Life Support

**Is life more than you can handle?**

**Is your health, attitude, or your relationship suffering?**

**Are you having difficulty adjusting to a new job, illness, recent move or grieving a loss?**

**Do you have emotional needs that you cannot seem to deal with?**

**Would you like to have a Christian friend who really cares?**

If you answered yes to any of those questions consider inviting a Stephen Minister to walk through this crisis with you. Having someone to care, listen, and share God's love with you can help you get through the confusion, stress, or loneliness you might be experiencing.

Stephen Ministry is grounded in Jesus' command to love one another. Through one-to-one, confidential, caring relationships, those that are hurting receive the love and care they need.

## Children's Ministry

Our Bible story is the Parable of the Talents (Matthew 25:14-30). This is key for the whole month because it talks about being responsible with our stuff--both our money and our giftings. Everyone's been given something, so what should you do to best invest it? We'll see how the worst thing is to sit on it or just save it for later. Our Bottom Line is: I can be trusted when I make the most of what God has given to me. When we bury our stuff, we seem to be afraid. People waste their lives and what they've been given when they don't trust God enough to let Him work through them with the abilities He gave them in the first place. When we are responsible, we can become trusted people.
